DETAILED ACTION

Specification

The objections to the specification, outlined in the previous Office Action, have been overcome by applicant's amendment. The amendment clarifies general formula (I) on page 4 of the specification as appropriate and supplies an acceptable abstract.

112 Rejections Withdrawn

The rejection of claim 1 under 35 USC 112, second paragraph, outlined in the previous Office Action, is withdrawn. As applicant points out, the examiner has factually misinterpreted the pertinent notation in general formula (I).

The rejection of claims 1-8, 13 and 17 under 35 USC 112, second paragraph, outlined in the previous Office Action, is withdrawn. Applicant's most recent amendment provides a clean copy of the text of the above claims, which were apparently previously illegible due to transmission errors.

The rejection of the remaining claims, also under 35 USC 112, second paragraph, as being indefinite because they depended from an indefinite claim, is withdrawn. The rejection is moot.

Allowable Subject Matter

Claims 1, 2, 4-6, 8, 9 and 11-22 are allowed for reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Davis whose telephone number is 571-272-0638. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann Richter can be reached on 571-272-0646. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
